## DESIGN TILES

Commercial Portfolio

# COMMERCIAL PROFILE

---

Our Commercial Projects division consists of a team of experienced tilers & trades people that will assure an excellent service for a wide variety of projects. We have over 22 years of experience in the Sydney industry.

Our tilers are qualified to lay a wide range of tiles including porcelain, ceramics, mosaics, natural stone, large format stone and porcelain panels, claddings, mechanically fixed stone, concrete and stone polishing.

We understand that there are a number of factors that go towards achieving the complete commercial refurbishment package from tender stage to final handover and we have the team and the qualifications to deliver the result as expected for each individual project.

We believe our exceptional service can ensure the highest level of quality of work is presented.

We understand that each project is unique and our team is prepared to tender and provide all documentation and support to satisfy any requirements your next project may involve.
